

How To Sign Up Businesses

How can you get your community merchants involved? It's Simple!

1. Make a list of 15-20 popular businesses in the area.

1	6	11	16
2	7	12	17
3	8	13	18
4	9	14	19
5	10	15	20

Tip: Consider food businesses (Restaurants, fast-food chains, ice cream parlors, etc), service businesses (car wash, oil change, barber shop, dry cleaning, etc), and entertainment (bowling, miniature golf, video rentals, etc).

2. Visit each location and ask to speak with the owner or manager.

Tell them:

Our group is raising money for (_____) by selling community discount cards. We would like to add your business to our discount card fundraising program. All we need is an offer from your business, such as "10% off xxx". We will place this offer on the discount cards, which will be distributed to the community at NO CHARGE to you.

Your benefits are:

- Free advertising
- Increased traffic to your establishment
- Positive word of mouth in the community
- Repeat visits and more purchases

Would you like to support us and advertise your business?

Tip: Let the merchant know that other businesses are participating in this fundraiser, and mention the other businesses that will be involved. Also, don't expect to sign up every business – you may only be able to get in touch with half of your list.

3. Have them sign the merchant agreement form (downloadable from our website).

Tip: Gather all signed offers together and fax the merchant agreement forms to: (888) 778-2581. We will email you a confirmation once each form is received.

That's it! Once we receive your forms and you have placed your order online at: <http://www.fasttrackfundraising.com/cardorder.php>, we can create your custom discount card for you. Each card raises up to 90% profit, comes with free shipping, and requires no money up front.
